# About the Author

**PENNEY PEIRCE** is a well-respected international expert on intuition and perception. She is a gifted clairvoyant empath and visionary, and a pioneer in the intuition development movement. She has worked around the world as a coach and trainer to business and government leaders, psychologists, scientists, and those on a spiritual path—since 1977.

Penney has been affiliated with The Center for Applied Intuition, The Institute for the Study of Conscious Evolution, Coach University, Coaches Training Institute in Europe, The Arlington Institute (futurists), and The Kaiser Institute, which trains hospital CEO’s in the development of intuitive skills. Penney has led visionquest tours, hosted a TV talk show, presented keynotes and workshops at colleges and conferences internationally, and appeared on radio and television interview shows internationally. Her books are used in training programs and universities.

## **Penney Peirce is the author of:**

- *Frequency: The Power of Personal Vibration* (2009)

She is featured in other books, including: *The Purpose of Your Life* and *When Life Changes, Or You Wish It Would* by Carol Adrienne, *The Celestine Prophecy Experiential Guide* and *The 10th Insight Experiential Guide*, by Carol Adrienne and James Redfield, *Return of the Revolutionaries* by Walter Semkiw, MD, *Breaking Through: Getting Past the Stuck Points* by Barbara Stanny, and *Intuiting the Future* and *Opening the Inner Eye* by Dr. William Kautz.

Penney is known for her ability to synthesize material from many cultures and disciplines, and to make complex, abstract ideas practical and pertinent to people in all walks of life. She routinely sees through surface clutter to find the root causes of and innovative solutions to problems, as well as the highest potential for individuals and organizations, and how that potential is likely to unfold.

Penney Peirce is accurate, articulate, and compassionate, and consistently helps others apply intuition and energy dynamics in practical ways. She is a lively and well-versed interview subject who values the give-and-take with her interviewer. She lives in Marin County, near San Francisco.
