Personal Consultation Logistics

Please read this document carefully, as it has information you will need!!

For Phone Sessions

1. Make an Appointment

Please **DO** read the description of the sessions at (www.penneypeirce.com/consultations.htm) so you don't have false expectations. Click on the link to our online scheduling page and calendar, available at www.penneypeirce.com/makeappt.htm: choose the kind of session, day/time, and send your payment. **Penney usually works between 10am and 6pm ET, and is occasionally available on weekends if necessary.** Phone sessions are 60 minutes. Followups are 30 minutes. In-person sessions are 90 minutes. Remember that Penney is in Florida in the Eastern Time Zone.

2. Before Your Appointment

- ✓ After we receive payment, we'll make and send your numerology chart, used briefly in the beginning of the session, via email. Then, to use for reference later, PRINT THE 2 NUMEROLOGY PDFS—**Personality Traits** and **Action Cycles**—found at www.penneypeirce.com/library.htm or www.penneypeirce.com/makeappt.htm
- ✓ Organize your questions. Know what you'd like to get from the session. Please do not send questions to Penney in advance.

3. At the Time of Your Appointment

- ✓ Please be prompt. We can connect by phone or Skype. If you want to work with Skype, make sure you give us your ID on the application form. If you'd like to connect by phone, please call Penney at **386-256-5336**. **Coordinate the time properly for your time zone!**
- ✓ Have the strongest, most direct phone connection possible; **no speaker phones or headsets, if possible, please!** This helps Penney connect more easily and you get a better quality recording. If working with Skype, it's preferable to have earbuds with an in-line mic or a headset and mic, to reduce echo and distortion.

4. Recording Your Session

Penney records the session as an mp3 digital file and sends you a link, using wettransfer.com, so you can download the file onto your computer. It's very useful to listen later so **please download the file immediately.** *Wettransfer.com gives you a week to download before the link disappears.*

5. If You Can't Make Your Appointment

Penney gives a 10-minute grace period for lateness and after that you will need to reschedule unless you call in advance to see if the appointment can be postponed. If you have to change the appointment, Penney needs 24-hour notice. We do not give refunds.

For In-Person Sessions

In-person sessions are 90 minutes. Plan to be on time; *please don't come early.* Penney will send directions after you make the appointment.
